

2017 LITTLE GOLFER LEAGUE

Take part in this unique junior golf experience. NUCC is now offering a junior league with instruction. Forty juniors will take part in this program. Players will report to the range on either Wednesday or Thursday evening for practice and lessons. Coach's will be on the range from 6pm-8pm to provide instruction. Sunday evenings the players will come together and play match's. We will play a scramble format for the Sunday matches. This league is designed to introduce juniors to the game and offer a little friendly competition at the same time.
