

Dear Invitee,

Come join us for the 5th Annual "Rapid Rick's Short Course Classic", a new tournament at NUCC that features plenty of excitement. The course will be playing as a par 58, with two drivable par 4's and seven par 3's on each side. The morning event is an individual skins game, along with net and gross total score winners. The afternoon event is a three-person scramble, the teams will be drawn on Saturday evening at the pairings party. Play both events or just one. These events are open to male and female golfers. Proceeds raised from this events player's pool will be used for beautification of our facility and grounds.

See you soon,
Tim Huffman, Rapid Rick & Mary Hulke
